REQUEST FOR RECONSIDERATION OF DISMISSAL OF PETITION TO WITHDRAW NOTIFICATION OF ABANDONMENT

PCT LEGAL ADMINISTRATION Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Attorney Docket: 207,685

REMARKS

Applicants respectfully request reconsideration of the Decision of 5 January 2009 dismissing the "Petition to Withdraw Notification of Abandonment" which was filed on 27 October 2008.

The PCT Legal Examiner determined that the Petition was deficient. First, Ms. Washburn did not state explicitly that she had conducted a search of the file records and that the docket records indicated that the Office Action (in question) was not received.

In response thereto, Petitioner submits herewith a Supplemental Declaration by Ms. Washburn which addresses that issue.

Second, the Examiner further determined that the Docket Records which should have been submitted are those showing all applications docketed for response on (or about) 4 April 2008. Attached to the aforesaid Supplemental Declaration of Mary Washburn are the Docket Records which address that issue.

In view of the attached Supplemental Declaration of Mary Washburn in support of this Request for Reconsideration, it is respectfully submitted that Petitioners are fully in compliance with MPEP § 711.03(c).

Therefore, Petitioner respectfully requests that the Petition now be granted.
